Bass Cat

Total Performance Bass Boats

Today we are living in a fast changing world. Through the internet and personal computers we can do many things never imagined in 1971, that's when we began building boats in the Ozark hills of Arkansas. Back then a good depth finder came in one model and trolling motors lacked the thrust we have today. Our motors were in the 70 hp range, and, who needed a spare for their trailer; let alone a spare prop or trolling motor. Heck, our batteries would only last a couple of hours, we didn't have crankbaits and buzz baits!

Since 1971 we have seen many new upstart companies come and go. Each new company seems to have it's own gimmick to hype the market. At boat shows in the mid 70's one company would even invite you to use a sledge hammer on their hulls. Claims are made and eventually many have become broken promises. Through all of this we have remained family owned and operated. You won't find us making claims, nor promises we can't keep. Read our warranty. We print our warranty on the back of our brochure for you to see.

Today many claims are made on composite construction. Composite is defined by Webster as "formed of distinct parts" ... basically all boats are composite and to quote someone else, "so is cornbread".

We suppose there

are good and bad aspects to any gimmick. We have always preferred to just continue offering improved products and not focus on today's hype.

1999 is a threshold year for us as we move ahead towards the year 2000. Introducing a new 18' Sabre, a redesigned Pantera Classic, a new Cougar on the Jaguar hull and more to follow. Add this to our current models which include the Jaguar, Pantera III, Eyra, and our aluminum line... we should have the boat to fit your needs.

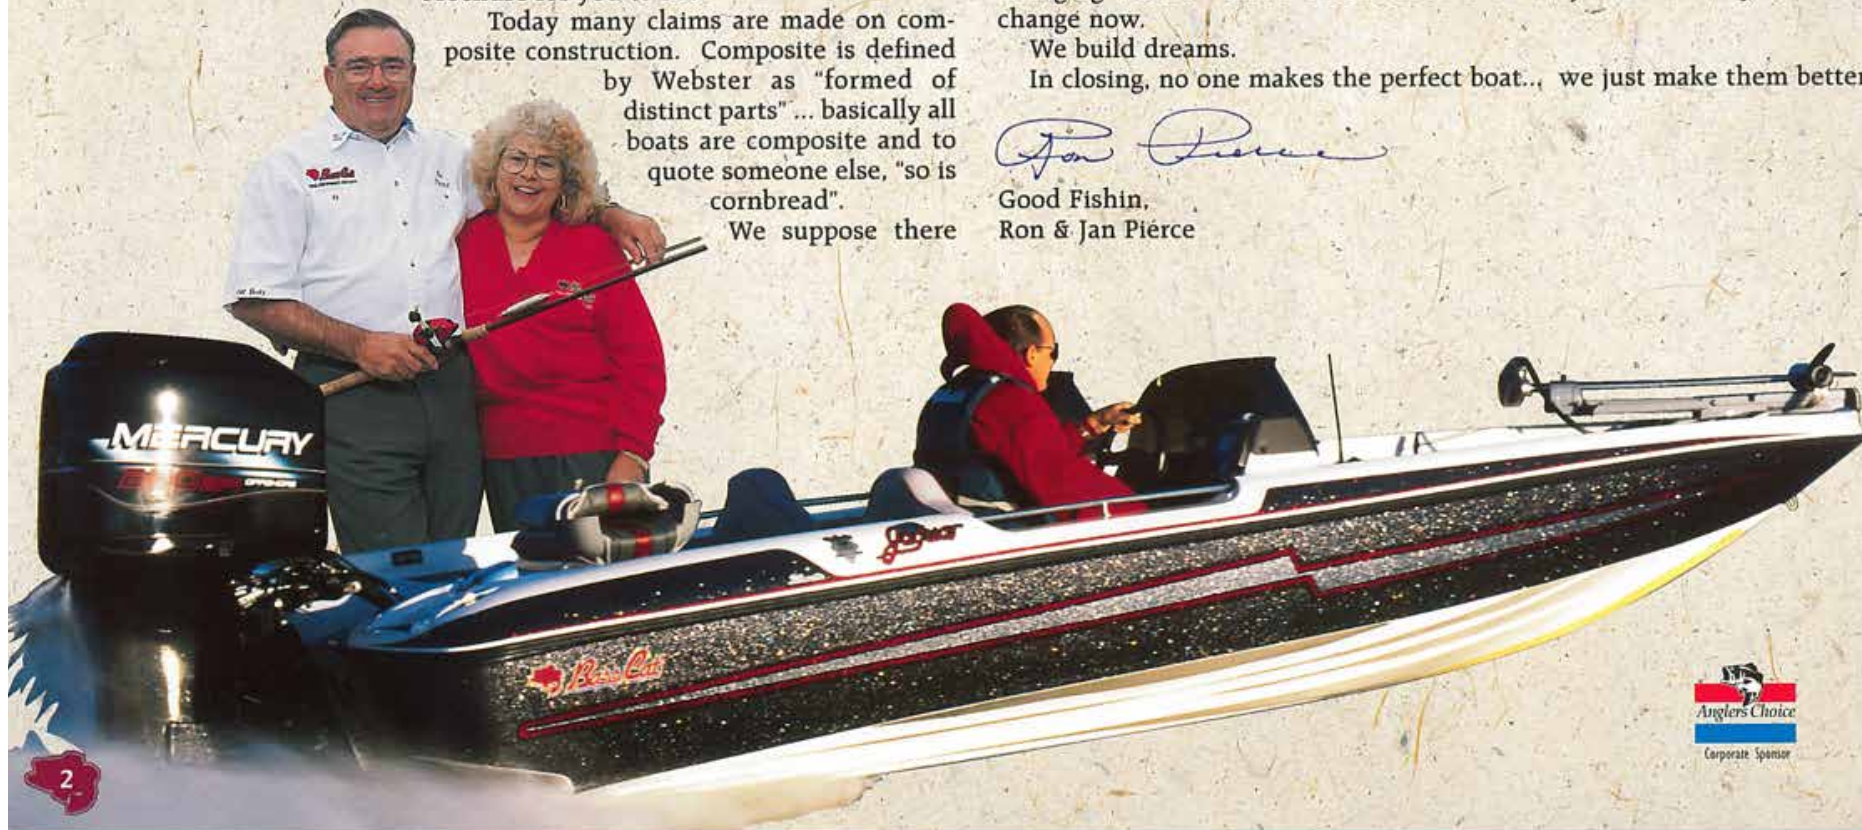

We have an Owners Invitational Tournament every year. This year we launched a sponsorship of the Anglers Choice Tournament Trail, and, the Bass Fishing Home Page on the internet. We support our industry!

Take a look at our boats with enthusiasm. After all, only we have built Bass Cat Boats, and will continue to do so. We focus on our consumers needs and the products requested. We are continuing our tradition of building only the highest quality boats. All from that little company in the Ozark hills of Arkansas which knows fishin' and is driven to excel in a changing world. We've excelled for over 27 years and why would we change now.

We build dreams.

In closing, no one makes the perfect boat... we just make them better.

Good Fishin,
Ron & Jan Pierce

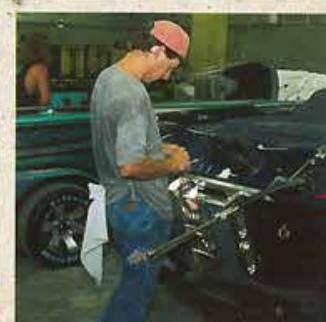

CRAFTSMANSHIP

Hand Craftsmanship, utilizing only the highest quality materials available, is a family tradition at Bass Cat which is uncompromising. Each step in the manufacturing process is completed by individuals who demand quality... with attention to the smallest detail in every phase of the boat building process. Customer satisfaction, while continually striving for perfection in our products is the basis of our success, of which we are very proud. Hopefully you look for it in every facet of the Bass Cat Boat. As you look at this "Family Album" of

photos taken throughout the Bass Cat factory, keep in mind that our boats, trailers, seating, wiring harnesses, even the embroidery on the Bass Cat seats are all made from raw materials at Bass Cat, *not made for Bass Cat.*

When we put the Bass Cat name on our boat, we know every facet of the final product meets our uncompromising Quality Craftsmanship standards... *not someone else's.*

SABRE

Boat Color Shown: M9934

Totally re-designed for 1999. A new low profile with smoother more aerodynamic design... and a price tag aimed at those efficiency minded fishermen.

The Sabre has long been considered one of the "Hot Rods" of the Bass Cat line. So, all you fishermen with a few boyhood actions surfacing every now and then... this is the boat for you! It is truly fun to drive, a quick throttle response will keep you in the fast lane right from the instantaneous "hole shot." Plus, this Sabre handles like a dream... you know you are always in control, and it will take a turn smoothly, no hopping or skidding.

Tournament fishermen will certainly appreciate the

added front and rear deck space as well as the recessed trolling motor basin to help relieve knee and ankle stress. Fishermen will also be impressed with the list of standard features, from dual steering, hydraulic lid openers, and a dual aerated livewell with removable divider to name a few. When you are comparing the Sabre to other 18' boats the impressive list of standard features and uncompromising Bass Cat quality throughout will prove this to be one of the best "values" on the market.

A generous listing of options are available for the Sabre, including a Flippin' Deck allowing added storage beneath the deck.

Standard Features:

Metal Flake Cap • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • Metal Flake Insert • Carpeted Floor Edging • SS Handrails • Front Trim Buttons • 12/24/36 Bow Panel with 8 Ga. Wire • Color Coded Wiring • PVC Enclosed Wiring Harness • X-28 In. Dash • Deluxe Steering Wheel • Speedo/Tach/Fuel Gauges • Circuit Breakers • Carling Rocker Switches at Dash • Dual Aerated Livewell With Removable Divider • Livewell Control Valve • (2) Tempress Fold Down Fishing Seats • Three Seat Positions • Two 13" Seat Extensions • Bench Seat With Storage and Ice Chest • Running Lights • Front Light Switch • Lockable Storage Boxes • Hydraulic Lid Openers • Horn • Rod Strap • Dual Steering • Bilge Pump • Aerator w/Timer • Courtesy Light • 12V Outlet

Optional Equipment:

Silhouette Package • Built-In Battery Charger (3) • Pro Butt Seat • Lowrance Electronics • Elevated Flippin' Deck • Manual or Hyd. CMC 6 Bolt Jackplate • Hydraulic/Tilt Steering • Pro Aeration • Livewell Flaps • Cigarette Lighter • MotorGuide 775, 767VB, 756, 675, 667, or 7107 Trolling Motors • Ski Tow Bar & Ladder • 42 Gal. Fuel Tank • Anchor Reins • Moor Mats • Low Plexiglass Windscreen • Console Tray • Maxima AM/FM/Cass or AM/FM/CD Stereo With Remote • Custom Boat Cover • Flush Mount Controls • BP400 Dash • 6 Gauge Trolling Motor Wiring • Two Cleats • Welded SS Handrail • Storage Compartment Light

Trailer:

The Sabre's Trailer is 4" channel and comes without brakes. It features fiberglass fenders and aluminum wheels with a spare tire as standard equipment.

* Available in motor combo format for added value.

Specifications:

Length 18'
Min. Storage Length 22'

EYRA

The Eyra represents a new era in eighteen foot bass boats designed specifically for the serious tournament angler. A new front deck positions the angler 10-12" closer to the action with wider deck room. A patented recessed trolling motor foot control platform offers less leg and back stress. This recessed area, also, is home for bow mounted graphs; they're out of the way, yet highly visible.

A new console offers even the largest of men leg room and roomy comfort. A tilt wheel, seats with high backs and "wrap around" support all help provide additional body control and

comfort during rough water or long run situations. Behind the seats you will find a redesigned extra wide beam with 2000 era styling which provides added room and good looks to the back of the boat. If you fish tournaments with H.P. limitations take a demo ride in this new Eyra...this is the bass boat you've always wanted. The Eyra screams with a 150, and has a layout with features you've never dreamed of.

Standard Features:

BP101 LCD Digital Dash • Metal Flake Cap and Insert • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • SS Welded Handrails • Capping Switches • Color Coded Wiring • Dual Auto Bge Pump • 12/24/36 Bow Panel with 6 Ga Wire • PVC Enclosed Wiring Harness • (2) Tempress Fold Down Fishing Seats • Dual Aerated Livewells w/ Recirculator • Livewell Flush Valve • Step-On Trim Buttons • Deluxe Mono Steering Wheel • Console Tray W/Lighter • Courtesy Lights • Horn • Trimmed Floor Edging • Rod Straps (2) • Lighted, Lockable, Carpeted Storage Compartments • Running Lights • Dual Steering with Tilt • Front Navigation Switch • E.T.A. Circuit Breakers • Master Power Switch • Ice Chest • Battery Check Gauge • Built-In Triple Battery Charger • Zircon Classic In-Dash • Upper & Lower Transom Support Plates • CMC 6 Bolt Jackplate • GIL Battery Boxes • Recessed Trolling Motor Pedal

Optional Equipment:

Silhouette Package • Pro Butt Seat • Lowrance Electronics • MotorGuide 781VB, 775, 767VB, 756, 675, 647, or 7107 Trolling Motors • Flush Mount Controls: OMC, Mercury, Yamaha or Suzuki • Hydraulic CMC Jackplate • Maxima AM/FM/Cass or AM/FM/CD Stereo With Remote • Elevated Flipping Deck • Pro Aeration • 42 Gal Fuel Tank • Plexiglas Windscreen • Anchor Reins • Custom Boat Cover • VDO Gauges, Tach/Speed/Volt/Fuel/Quartz Clock • Hydraulic Steering N/A

* Available in motor combo format for added value.

CLASSIC

The NEW Classic features smoother lines in a re-designed top cap and hull which offers a superior rough water ride, all in a new low profile design. And, it's a whole lot easier on your pocketbook while still meeting the demands of the serious fisherman. Dual rod boxes, a new center line trolling motor mount with recessed trolling motor pedal basin, aerated and recirculating livewells, 36 gal. fuel tank, tilt steering, jack plate, and aluminum lids are just a few of the standard features.

A Panther's hull design provides the ultimate in "big boat" performance and handling in all types of water conditions, giving you a safe and dry ride. A new modular console includes a BP400 with VDO Tach/Speed/Fuel gauges. Dual full length rod boxes and front deck storage areas to

hold all the rods and tackle needed for a serious day of fishing for you, and your partner. Additional storage is found under the seats, with an ice chest located between the driver and passenger seats. Behind the seats you will find a rear deck big enough for your partner to move around with ease.

A Classic dual console (DC) is also available for those who use their boat for both skiing and fishing, or just prefer the appearance of dual console boats.

Standard Features:

Metal Flake Cap • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • Metal Flake Insert • Carpeted Floor Edging • Carling Switches • Front Trim Buttons • 12/24/36 Bow Panel with 6 Ga. Wire • PVC Enclosed Wiring Harness • Color Coded Wiring • Dual Rod Boxes • Ice Chest • VDO Instrument Panel (Tach, Speed, Fuel) w/ BP400 In-Dash • Deluxe Tilt Steering Wheel • Circuit Breakers • Single Petitioned Aerated Livewell • Livewell Control Valve • Livewell Timer • Livewell Flush Valve • Recirculating Livewell w/Timer • Bidge Pump • (2) Tempress Fold Down Fishing Seats • Running Lights • Lockable/Carpeted Storage Boxes with Aluminum Lids • Hydraulic Lid Openers • Master Switch • Horn • Rod Strap • Dual Steering • Courtesy Lights (2) • Stainless Steel Handrails • Three Seat Positions • Bench Seat • Two Flush Mount Cleats • Zircon RTS Unit • Recessed Trolling Motor Pedal Mount • Center Line Trolling Motor Mount • CMC 6 Bolt Jackplate • Low Profile Windscreen

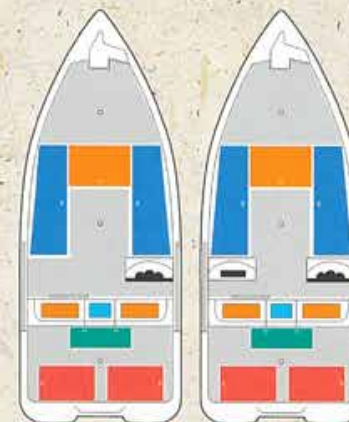

Optional Equipment:

Elevated Flipping Deck • Triple Battery Charger • Lowrance Electronics • CMC 6 Bolt Hydraulic Jackplate • Hydraulic/Tilt Steering • MotorGuide 781VB, 775, 767VB, 756, 675, 667, or 7107 Trolling Motors • Flush Mount Controls: OMC, Mercury, Yamaha, or Suzuki • Ski Ladder • Ski Tow Bar • Plexiglass Windscreen • Silhouette Package • Anchor Reins • Moor Mates • Pro Butt Seat Exchange • Pro Aeration • Console Tray • Maxima AM/FM/Cass or AM/FM/CD Stereo With Remote • Dual Consoles (DC) • Padded Seating on Rod Box Lids (DC) • Gill Battery Trays • Dual 21 Gal. Fuel Tanks • Insert Cover for Trolling Motor Basin • Custom Boat Cover • Taller Windscreen

*Available in motor combo format for added value.

PANTERA III

Take a close look...innovative hull and deck designs abound on the Panthera III. The Panthera for which we have built a wonderful reputation has many new innovations...styling of the Jaguar, the tenacity of the Byra.

From the deeper eight stringer hull to the BP101 LCD Digital Dash, the Panthera III is pure perfection in quality, craftsmanship, and boating innovations which puts new meaning in our tag line...*Total Performance Bass Boats*. The Pierce family tradition of continued innovation and years of planning and discussions with professional fishermen have produced the Panthera III.

Our patented recessed trolling motor pedal basin at the bow helps reduce back, knee and ankle stress while placing fishermen 10-12" closer to the action. This deck modification also allows for an additional rod box, larger storage areas, and a console design which allows even the largest of anglers *ample room and comfort* behind the Momo tilt steering wheel. Better comfort is also found in the bench seats, higher backs for additional support. Between the seats you will find a convenient additional ice chest. Passengers

will find a convenient, secure rod storage shelf beside the bench seat. The roomier rear section of the deck has smooth rounded corners which are more aerodynamic and allow motor control cabling to exit at the center of the splashwell and enter the engine with less binding and kinking as they link the console control to the engine.

The deeper hull design on the Panthera III provides an even smoother, rough water ride than the earlier Panthera's. This deeper hull design also allows for reduced backwash on shut down.

A Panthera III DC is available with dual consoles for those who prefer the looks and added protection from the elements for their passengers. The passenger's console has a large glove box for added storage.

Compare the standard features, performance, handling, rough water ride, quality craftsmanship, customer satisfaction, and Bass Cats reputation to any bass boat on the market...bar none. You will see, regardless of which Panthera you might choose, one thing for sure ... you can't make a bad choice.

Standard Features:

BP101 LCD Digital Dash • Dual Rod Boxes on Front Deck • Built-In Triple Battery Charger • Lighted Storage Boxes • CMC 6 Bolt Jackplate • Zecom Classic In-Dash • Dual Bilge Pumps (Auto or Man.) • Dual Aerated Livewells w/ Timers • Livewell Flush Valves • Graphic Dash Panel • Deluxe Tilt Steering Wheel • Bubble Trim • Metal Flake Cap • Trim Stripe on Hull • Console Tray w/Lighter • Four Interior Courtesy Lights • Livewell Control Valve • Circuit Breakers • Carpeted Floor Edging • Three Seat Positions • Two 13" Seat Extensions • Battery Check Gauge • Front Light Switch • Carling Switches • Removable Rear Lids • Front Accessory Switch • Dual Rear Livewells • Rear Terminal Block • SS Welded Handrails • Lockable Storage Boxes • Hydraulic Lid Openers • Running Lights • Tackle Box Shell • Master Switch • Indicator Lights • Horn • Four Cleats (Flush mount) • (2) Tempress Fold Down Fishing Seats • 12/24/36 Bow Panel w/6 Gauge Wire • Front Trim Buttons • Passenger Handrails • Rod Strap • Rope Bump Molding • Dual 26 Gal. Fuel Tanks • PVC Enclosed Wiring Harness • Color Coded Wiring • Mercury Switches • Recessed Trolling Motor Pedal Basin at Bow • GIL Battery Trays • Hydraulic Tilt Steering

• Tandem Axle Trailers are Standard

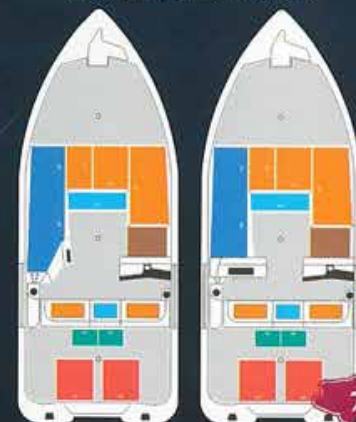

Optional Equipment:

Dual Consoles • Silhouette Package • Ski Ladder • Ski Tow Bar • Flush Mount Controls: OMC, Mercury, Yamaha or Suzuki • Pro Butt Seat • Lowrance Electronics • MotorGuide 781VB, 775, 767VB, 756, 675, 667 or 7107 Trolling Motors • Hydraulic CMC Jackplate • Elevated Flippin' Deck • Pro Aeration • Lighted Livewells • Anchor Reins • Plexiglass Windscreen • Maxima AM/FM/Cass or AM/FM/CD Stereo With Remote • Insert Cover for Recessed Trolling Motor Basin • Custom Boat Cover

Boat Color Shown: G2503

COUGAR

The *All NEW* Cougar from Bass Cat made its debut at the Mercury Dealer Meeting in December of '98. The 20'3" hull is based on the "top of the line" Jaguar. Stable, and lighter, yet agile handling as it corners even in rough water.

Cougars are positioned in the line at the top of the mid range Bass Cats. Easier on your billfold while still offering "top of the line" Bass Cat quality construction throughout. Performance is a word which has always been associated with Bass Cat Boats, this 20' Cougar will set the mark... which others will be hard pressed to follow.

Tournament fishermen will appreciate the massive decks both front and rear offering plenty of room for two flippin' tight cover. Two full length rod boxes will keep all rods and reels organized and out of the way. Plus, convenient partner rod storage is accomplished with a built-in rod holder beside the passenger seat. Keeps those rods handy yet secure on those early morning tournament take-offs. Front, and

rear storage compartments under the bench seat provide all the tackle and accessory storage any fisherman could ever need. Two ice chests, one at the front and one at the rear between the seats keep lunch and drinks easily accessible to all.

At the bow, fishermen will find Bass Cat's patented recessed basin which holds the trolling motor foot control. It's flush with the deck, out of the way, puts fishermen 10-12" closer to the action, plus it helps relieve back and foot strain associated with a day's fishing. This recessed area also provides space for a digital graph.

A new modular console includes a BP400 with a Zercom RTS, plus VDO Tach/Speed/Fuel gauges.

Standard Features:

BP 400 • VDO Tach/Speed/Fuel Gauges • CMC 6 Bolt Jackplate • Hydraulic Steering with Tilt Steering Wheel • Zercom Classic In-Dash • Bilge Pump • Dual Aerated Livewell with Removable Divider and Timer • Livewell Flush Valves • Deluxe Tilt Steering Wheel • Bubble Trim • Metal Flake Cap • Trim Stripe on Hull • Two Interior Courtesy Lights • 12v Accessory Outlet • Livewell Control Valve • Circuit Breakers • Carpet Floor Edging • Three Seat Positions • Aluminum Lids • Bow Navigation Light Switch • Carling Switches • Front Accessory Switch • Dual Rear Livewells • Rear Circuit Block • Stainless Steel Handrails • Lockable Storage Boxes • Hydraulic Lid Openers • Running Lights • Master Power Switch • Indicator Lights • Horn • Two Cleats (Flush Mount) • Two Tempres Fold Down Fishing Seats • Two 13" Extensions • 12/24/36 Bow Panel Plug with 6 Gauge Wire • Front Power Trim Buttons • Passenger Handrails • Rod Strap • Rope Bump Molding • 36 Gallon Fuel Capacity • PVC Enclosed Wiring Harness • Color Coded Wiring • Recessed Trolling Motor Basin at Bow • Two Large Front Rod Boxes • Two Ice Boxes • Two Drink Holders • Passenger Foot Rest • Storage Under Bench Seat • Storage Area at Bow • Battery Trays • Plexiglass Windscreen

• Tandem Axle Trailers are Standard

Optional Equipment:

Dual Consoles (DC) • Silhouette Package • Ski Ladder • Ski Tow Bar • Flush Mount Controls (Mercury, OMC, Yamaha or Suzuki) • Pro Butt Seat • Lowrance Electronics • MotorGuide 781VB, 775, 767VB, 754, 675, 667, or 7107 Trolling Motors • Hydraulic 6 Bolt CMC Jack Plate • Flippin' Deck Insert • Pro Aeration • Lighted Live Wells • Anchor Reins • Maxima AM/FM/Cassette AM/FM/CD Stereo With Remote • Custom Boat Cover • Optional 52 Gal Fuel System for 225/250/280 hp, or Long Run Capability • Insert Cover for Trolling Motor Basin • Built-In Triple Battery Charger • Console Tray • Gil Battery Boxes • Rod Strap • Taller Windscreens • Additional Bilge Pump

• Dual Axle Brakes Recommended on all Cougar Trailers.

Specifications:

Length 20'3"
Min. Storage Length 24'10"
With Swing Away Tongue 22'2"
Beam 93"
Approx. Wt. 1485 lb.
Approx. Wt. (DC) 1545 lb.
Fuel Capacity 36 Gal.
Max. H.P. Range 175-285

Boat Color Shown: D1181

JAGUAR

The Jaguar Bass Boat from Bass Cat Boats can be described with one word....**AWESOME!** This 20'3" hull glides over and thru the water with ease. It's stable, yet agile even in rough water, and a dream to drive. Performance is a word which has always been associated with Bass Cat Boats, the 20' Jaguar is no exception. Passengers will swear they are out for a Sunday drive, even as their cheeks and eyelids are pulled back as they sense its smooth acceleration to a blistering "top end".

Tournament fishermen and their partners will never get in one another's way, nor stumble over equipment getting to the net. A master rod box and a separate partners rod box in the rear deck keeps all rods and reels organized and out of the way. Front and rear deck storage compartments provide all the additional tackle and accessory storage any fisherman could ever need or want.

At the bow, fishermen will find Bass Cat's patented recessed basin which holds the trolling motor foot control. It's flush with the deck, out of the way, puts

fishermen 10-12" closer to the action, plus it helps relieve back and foot strain associated with a day's fishing. This recessed area also provides space for a digital graph.

Three front storage compartments plus an ice box keep everything close at hand and offer plenty of floor space for two "flippin'" close cover.

At the console you will marvel at the amount of information displayed with a simple touch on the digital BP101 "Super Dash". Location, distance and time traveled, barometric pressure, surface temp, and livewell temp to help monitor the day's catch and ensure a safe, healthy release. The BP101 also helps keep an accurate "pulse" on the engine while helping to gain its ultimate performance at all levels of operation.

A dual console (DC) model is also available for those who prefer the looks and passenger convenience offered by two consoles.

This Bass Cat Jaguar is simply the "ultimate" bass boat.

Standard Features:

BP 101 Super Dash • Built-In Triple Battery Charger • Lighted Storage Boxes • CMC 6 Bolt Jackplate • Hydraulic Steering with Tilt Steering Wheel • Zircon Classic In-Dash • Dual Ridge Pumps (Auto on Man.) • Dual Aerated Livewells with Timer • Livewell Flush Valves • Graphics Dash Panel • Deluxe Tilt Steering Wheel • Bubble Trim • Metal Flake Cap • Trim Stripe on Hull • Console Storage Tray with Lighter and Light • Four Interior Courtesy Lights • Two 12v Accessory Outlets • Livewell Control Valve • Circuit Breakers • Carpet Floor Edging • Three Seat Positions • Battery Check Gauge • Bow Navigation Light Switch • Carling Switches • Removable Rear Lids • Front Accessory Switch • Dual Rear Livewells • Rear Circuit Block • Stainless Steel Handrails • Lockable Storage Boxes • Hydraulic Lid Openers • Running Lights • Tackle Box Shelf • Master Power Switch • Indicator Lights • Horn • Four Cleats (Flush Mount) • Two Tempress Fold Down Seats • Two 13" Extensions • 12/24/36 Bow Panel Plug with 6 Gauge Wire • Front Power Trim Buttons • Passenger Handrails • Three Rod Straps • Rope Bump Molding • 52 Gallon Fuel Capacity (Dual 26 gal. Tanks) • PVC Enclosed Wiring Harness • Color Coded Wiring • Mercury Switches • Recessed Trolling Motor Basin at Bow • Large Front Rod Box with Organizer • Rear Rod

Box (Passenger) 6'10" • Two Ice Boxes • Passenger Storage Box • Three Drink Holders • Passenger Foot Rest • Storage Under Bench Seat • Three Storage Areas at Bow • Oil Battery Boxes • Tackle Storage on Back Deck

• Tandem Axle Trailers are Standard

Optional Equipment:

Dual Consoles (DC) • Silhouette Package • Ski Ladder • Ski Tow Bar • Flush Mount Controls (Mercury, OMC, Yamaha or Suzuki) • Pro Butt Seat • Lowrance Electronics • MotorGuide 781VB, 775, 747VB, 756, 675, 667, or 7107 Trolling Motors • Hydraulic 6 Bolt CMC Jack Plate • Flippin' Deck Insert • Pro Aeration • Lighted Live Wells • Anchor Reins • Plexiglass Windshield • Maxima AM/FM/Cassette AM/FM/CD Stereo With Remote • Custom Boat Cover • Optional Fuel Tank (for 225/250 or Long Run Capability) • Insert Cover for Trolling Motor Basin

• Dual Axle Brakes Recommended on all Jaguar Trailers.

A NEW BREED OF CAT

A New Breed of Cat's... a high quality aluminum Bass Cat Boat. Not only economical, but offering great performance, and handling, with a solid ride.

Fishermen will appreciate the plush Tempress seats and 20 oz. carpeting, just like those found in our "top of the line" fiberglass boats. Under the carpeting you will find solid marine plywood and aluminum flooring and side panels. "Solid" because no other manufacturer devotes as much lateral bracing support. The hull is made from .100 gauge aluminum and is "all welded". A major advantage in our construction is the center line ice rail extrusion on the bottom of the hull. It protects the hull from any obstructions, plus contributes to added stability in high winds, and other rough

water conditions.

Fishermen will appreciate the thought that went into the layout design of these boats. A rod locker and great storage towards the front, while a partner on the rear deck also has storage running the width of the boat under the seats. A large 31" aerated livewell is also at the rear, as is access to the built-in fuel tank, batteries, and the easy maintenance cartridge style bilge and aerator pumps.

As you can see by reviewing the standard features, this is not a stripped down boat...but one with many features usually found only in "big boats". We feel that even though you don't require, or desire a "big" boat, you still expect and deserve this same "Bass Cat" quality and workmanship as found in our top of the line fiberglass boats.

Aluminum Packages Available :
Brunswick/OMC/Force See Your Local Dealer for Motor Options

Standard Features:

- Locking Carpeted Rod Box (Except 16V) • Color Coded Wiring • 12/24 volt Bow Panel • Two Tempress Seats & Two Tempress Fold Down Fishing Seats • Built-In Cup Holders • VDO Instruments (tach, speed) • BP400 Digital Dash Panel on A18 • Front & Rear Aerated Livewells • Front Trim Buttons • Horn • Fuel Gauge • Battery Trays • Built-In 22 Gal Fuel Tank • Running Lights • Bilge Pump • MotorGuide 743 or HBF2K (OMC Dealers) • Galvanized Trailer • 13" Wheels/Tires • Side Guide-Ons • Metallic Fiberglass Console (Raspberry or Blueberry) • 20 oz. Carpet • Motor Tote • Flush Mount Controls • Plexiglass Windscreen • Circuit Breakers • Lowrance X-25B or Zircon RTS • Aluminum Prop

TRAILERS

Most people take the trailer sitting under that shiny new Bass Cat Boat for granted...but we take our trailers very seriously. Unlike most manufacturers, Bass Cat builds Bass Cat Trailers... one at a time, to fit the specific hull design of each model boat. Every member and cross support is jigged, fitted and welded to exact tolerances...there is *zero adjustment* on a Bass Cat Trailer. Axles are also jigged, and welded

in a pattern weld to assure minimal tire wear from caster to camber. Finally, each trailer is painted and carpeted to perfectly coordinate with the boat for which it was built.

At Bass Cat, your safety and the investment you have made in your boat are not taken for granted... we demand quality craftsmanship, it's a family tradition.

Tandem Axle Trailer

IMCO Retractable Tie-Downs

Back-Up Lights

Swing Away Tongue

Standard Features:

3000 lb. Axle • Waterproof Bearings • 14" Aluminum Mod Wheels with Goodyear Marathon Blackwall Tires • 4" Steel Channel Construction • 1200 lb. Winch • Side Mount Jack • Recessed Spare Tire Mount • Spare Tire • Fiberglass Color Co-ordinated Fenders & Carpeting • Recessed Waterproof Lights • Polyurethane Enamel Finish • Surge Brakes (Std. on the Jaguar, Cougar, Panthera III, Classic, and Eyra Trailers)

Optional Equipment:

Silhouette Aluminum Wheels with Raised White Listered Firestone Firehawk Radial Tires • Tandem Axle Trailer • Surge Brakes (Sabre) • Spare Hub and Bearing (Mounted Under Spare Tire) • Clear Coat Finish (2 Coats Required on White Trailers) • IMCO Retractable Tie Downs • Back-Up Lights (Std. on Jaguar) • 15" Tri-Spoke Wheels • Swing Away Tongue (Std. on Jaguar) • Dual Axle Brakes

OWNERS INVITATIONAL

Every year we look forward to our "Family Reunion"... The Bass Cat Invitational on Lake Norfork. We call this a family reunion because it's one time each year that all Bass Cat owners (our family) are invited to Mountain Home, Arkansas for some good ole Ozark hospitality. Our only goal is to show our sincere appreciation to our family of Bass Cat Boat owners.

The two day (Friday & Saturday) Invitational begins with registration on Thursday evening. Friday morning is truly a sight to behold, as the sun peeks over the mountains, your heart starts pounding a little faster as the daylight reveals a bay with little lights dancing all around on the water. It's not often that you see such a spectacle as 700-800 Bass Cat Boats staged for a early morning tournament takeoff. It is an overwhelming sight to behold.

The Bass Cat Invitational is a true family affair. We provide an atmosphere for family participation with Rubber Duck Hunts, Kids' Contests, and even an event for the wives who

aren't fishing the tournament.

Saturday morning brings the final day of competition and some serious thinking, and wondering if any of those fish stories heard the night before had any truth to them. The afternoon's final day weigh-in provides a little computer printout that makes several folks really appreciate this "Family Reunion". Following the final weigh-in contestants get a little time to relax, and swap a few fish stories before getting ready for the evening festivities. The festivities include... a real honest to goodness Ozarks Barbecue and an evening of fun with friends...totally alcohol free. After everyone is "stuffed," we provide a few drawings for prizes. The final drawing has included a new Bass Cat boat and trailer...not many leave early! We promise you one thing, on the way home you will look forward to the next years Bass Cat Owners Invitational.

WARRANTY

Limited Five Year

Bass Cat Boats warrants to the original purchaser, each new boat or trailer used for noncommercial uses, to be free from defects in workmanship and material for a period of two (2) years under normal conditions of recommended use, with a five (5) year hull warranty under the same conditions.

To validate this warranty, the boat registration card must be returned to Bass Cat Boats within fifteen (15) days after original purchase. All boat manufacturers are required by Federal law to notify first purchasers in the event any defect is discovered "which creates a substantial risk of personal injury to the public", or any noncompliance by manufacturer. The failure of any purchaser to fill out and return the warranty registration card may make it impossible for Bass Cat Boats to give direct notice to such purchaser.

During this two-year period, any authorized warranty repairs will be made free of charge by Bass Cat Boats at their manufacturing plant in Mountain Home, Arkansas, or at their option, by an authorized Bass Cat Boats boat dealer at the dealer's store or service center. Transportation costs to the factory are the responsibility of the purchaser. All warranty repairs must be approved by Bass Cat personnel, whose decisions are final.

This warranty does not apply to (1) any boat which shall have been repaired or altered in any way so as to affect its use and operation; (2) gelcoat cracking, crazing, blistering, or discoloring; (3) windshield breakage; (4) any boat which has been subject to misuse, negligence or accident, or used for racing or commercial purposes or operated contrary to any printed instructions furnished by Bass Cat Boats; (5) upholstery damage; (6) any boat utilizing over a 6" Jack Plate or changing of standard equipped models Jack Plate to other than standard; (7) accessories, steering systems, pumps, lights, and other equipment not manufactured by Bass Cat Boats (these are covered by warranties (if any) of the respective manufacturers supplying these items and are not covered under this limited warranty); (8) any boat which has been overpowered according to the maximum recommended engine horsepower specified on the capacity plate affixed to the boat.

This warranty is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and in lieu of all other obligations or liabilities on the part of Bass Cat Boats, and Bass Cat Boats expressly denies on the part of any person to incur or assume for it any other liability in connection with the sale or use of its boats and trailers. Implied warranties, if any, given by valid law shall be limited to the duration of this written warranty.

The obligation of Bass Cat Boats, under this warranty, shall be limited to the repair or replacement of any part which is judged defective by Bass Cat Boats. Bass Cat Boats will not be liable for haul-out, launching, towing or storage charges, inconvenience or loss of time or income, or any other special or consequential damages of any kind or nature.

The information in this literature is based upon the latest product information available at the time of publication approval. Bass Cat Boats reserves the right to make changes anytime, without notice, in the colors, equipment, specifications, materials, hulls, prices, and to discontinue models. When changes are made, we reserve the right to do so without incurring the obligations to equip or modify existing models built prior to the date of such changes.
