There is a \$200 Quest Membership Fee on all used boats, and, 1999 and older boats. This Fee is for you, and, this specific Bass Cat Boats serial number. The intent is to make this fee a one time charge for as long as you are the registered owner of this boat. Though that could be subject to change based on future funding requirements of Quest and exposure limitations of Bass Cat Boats. Should you purchase a newer/ different Bass Cat Boat all Quest guidelines will apply once again, as your membership is NOT transferable to another unit.

Note: There is no **added** cost to Original Owners of a 2000 model year product and later, or those having transferred ownership prior to October, 2004. **Original Owners of 2000 and newer Bass Cats. It's Not necessary to send this form in.**

We Sincerely Wish you Good Fishin' ... and hopefully you can "cash in" on our Quest Program as our way of saying "Thank You" for purchasing your Bass Cat Boat. **We Must Have Your Registration at Least 30 Days Prior to Your Entered Quest Tournament.**
