

# ***Bass Cat***

***FEEL THE RUSH™***

Who took you fishing?

Time marches on, it never stands still, nor should we. We have never stood still, as we are striving every day to make your lives better, to improve and learn.

As bass boat builders, we try hard to continually evolve, to learn, develop, to innovate like the Lynx and now the evolution of the new Jaguar.

We are committed to moving things forward exponentially. As a result, we stay engaged in what makes our products fit your lives better. There will always be something new. It could be a charger, a widget, or a new boat, just like there was a new motor. What matters is not those products, as that's not what we are buying. What we are buying are extensions of our time and how we choose to live it. Where better than a place we see eagles soar.

Last year we spoke of building memories, recordings of our lives scattered on every cloud or hard drive in our homes. This year we took that further and started the "Who Took You Fishing?" series with our anglers. Today, life is changing before our eyes. It became ever so apparent in the efforts to assemble this series.

In 2019 we set the stage for the videos. They were energizing as it brought so many memories to life again. Those were memories that were trapped deep in the minds of those anglers. Out came everything from sorrow to joy and even obvious regret in some cases. Their souls were often bared.

Through those videos, we learned how time has marched on. Those younger anglers were all forward with images, videos and a Kodachrome chronology of their lives. For myself, Paul Elias and some others, those were Polaroid shots and 35 mm film. A Kodak 126 Instamatic shot for that "Kodak moment". A camera's significant expense kept Mom from bringing it along outdoors, and thus there have been many front yard shots of a fish.

Today it's college and high school, as we saw at the Big Bass Junior World Championship. It was Moms, Dads and Grandparents encircling those youths shooting their own YouTube segments. The plethora of images is overwhelming. It's obvious today that media will be stowed, maybe to never be seen again. In 2010, Facebook pledged to users to keep an archive of images going back 50 years. Who will look back and see that digital recollection?

Those digital images are not important. What is important are the memories of those events that created them. Memories of time on the water as we reflect on the cultures that molded our lives. Our capacity for life is so much more valuable than the Polaroid we grew up with. We remember the event of the Polaroid ever so much more than the actual image.

That all makes this more than a boat purchase. It is a part of your life and a life you choose in the outdoors. Building a legacy of memories that will outlast each of us and one we are proud we have been a part of so many times over. Thank you for considering our product as a part of your memories.

God Bless... And Good Fishin',

Rick Pierce

## WHO TOOK YOU FISHING?

We are pleased to bring you a new series where we sit down with our anglers and ask them the question, "Who took you fishing?"

Exercise your mind and get back to the moment you became fascinated with being on the water. Attempt to realign with that desire and all of the great memories that accompany it.

Many who once took us fishing may no longer be with us and it's important to never forget their influence.

Please take some time this year to pay it forward to the next generation.

## MODEL DESIGN LINEAGE

The way a boat carries itself at rest is just as important  
as the way it carries itself at speed.

# SIGNATURE PERFORMANCE

Rick Pierce has fine-tuned the art of balancing high-performance handling with unrivaled fishing ability. A true pioneer builder in the bass boat industry, he has mastered the physics and concepts which elevate each model to it's full potential.

## 1. BOWMOUNT FEATURES

Trolling motor placement is crucial to maximizing efficiency while deployed. Precision maneuvering and proper tracking are achieved with the centerline mounting angle. Forward recessed pedal locations provide an ideal casting stance at all positions.

## 2. FRONT DECK FEATURES

Every aspect of the front deck is tailored to optimize efficiency. Narrow gunnels maximize deck space without sacrificing maneuverability in tight areas. Quick, unobstructed access to rods and tackle at all times thanks to innovative storage solutions. Every model offers layout variations to ensure compatibility with all angling styles and preferences.

## 3. SIGNATURE RUNNING SURFACE

All Bass Cats have a special feel that you don't find anywhere else. There are many subtleties that lie within every internal assembly as well as the running surface, providing a responsiveness that has to be experienced. The Signature hull design turns the water down to keep you dry. Instant bow lift allows you to pick your way safely through the roughest water. This refined hull design gives you the ability to **Feel The Rush** like nothing you've ever driven.

# FEEL THE RUSH

## BENEATH THE SHINE

**Never** judge a book by its cover.  
The content in our boat is not fiction.

-Rick Pierce

## TAKE A CLOSER LOOK

Boats are not created equal. Period. Beneath the shiny gel coat and poly flake is where you can learn a lot about the structural integrity of a hull. Every Bass Cat leaves the factory with a blend of proprietary raw materials, custom-built assemblies and decades of fine-tuned processes that keeps them running strong beyond your years of ownership.

Full factory tour videos at [BassCat.com](http://BassCat.com) > Media

# ALL FIBERGLASS CONSTRUCTION

## TRANSFERABLE LIFETIME WARRANTY

HULL • TRANSOM • FLOOR • STRINGERS

### 1. QUALITY GEL COAT APPLICATION

Strategic steps utilizing high atomization and a wet flake application. This gives our boats the look, feel and consistency that is unmatched in our industry.

### 2. VACUUM PROCESS HULL ASSEMBLY

Custom-matched stringers, floors and transoms are pulled together using massive vacuum pumps. This creates our famous one-piece hull design that you can truly feel as you pass the competition on the water.

### 3. FULL-WIDTH TRANSOM STRENGTH

No one compares to the BCB all fiberglass, vacuum molded units that extends the entire width of the boat. No fillers are used as we set into wet fiberglass to secure them to the hull.

### 4. 24oz PREMIUM MARINE CARPET

Not all marine carpet is equal. We use the heaviest grade available; 24-ounce per square foot. This carpet goes in every Bass Cat model for better wear, less fatigue and longer life.

### 5. CUSTOM BUILT TRAILERS

Our trailers are built in-house, with the same intensity and passion that goes into our boats. Custom-fit to each boat model and made with U.S. steel.

### 6. 6-BOLT CUSTOM JACKPLATES

The custom plates made for Bass Cat are a big deal. Added rail length, full transom support and an extra tie bar gives you the advantage on big water.

# JAGUAR

## FLAGSHIP. REINVENTED.

The Jaguar is back. Stretched to an even 22 feet, the big body has an updated interior that leaves you with an overabundance of storage at your fingertips. Optimized to run with a wide range of horsepower between 250-450, the behavior and handling of this hull will leave you with a smile on your face as you arrive at your first stop of the morning.

LENGTH ..... 22'0"

WEIGHT ..... 2220lbs

STORAGE LENGTH..... 27'9"/25'0"  
WITHOUT TONGUE SWING / WITH TONGUE SWING

BEAM.....94+"

FUEL CAPACITY ..... 60gal

HP RATING ..... 250-450

### 1. FRONT DECK WORKING AREA

Adjustable recessed trolling motor pedal basin and twin pedestal locations to customize your workspace. Twin 9' rod boxes with integrated day boxes.

### 2. FRONT DECK TACKLE STORAGE

Twin finished boxes flank a convenient net scabbard. Additional twin tackle storage boxes with molded dividers and scissor lid storage..

### 3. TOOL / HELMET STORAGE

Integrated tool slot directly in front of a helmet box capable of holding two full sized motorcycle helmets.

### 4. FIBERGLASS STEP BOX

Easy step onto the rear deck with our new step box that opens to more storage and flips open to reveal a second cooler below.

### 5. COCKPIT STORAGE

With the help of under-seat storage, new step box and 8.5' passenger rod box, there is no shortage of cockpit storage on the new Jaguar.

### 6. REAR DECK ACCESS

Twin fold-flat / removable lids expose another storage area with easy access to twin 30gal fuel tanks, batteries and pumps.

# LYNX

## WIDTH + PERFORMANCE

The Lynx incorporates what we learned while tooling the Jaguar and Caracal into one of the most efficient, performance oriented, wide body hulls available. If you've always wanted a Bass Cat with room to spare in every way that crushes rough water, the Lynx can fill that dream.

LENGTH ..... 20'8"

WEIGHT ..... 1930lbs

STORAGE LENGTH..... 25'10"/23'11"  
WITHOUT TONGUE SWING / WITH TONGUE SWING

BEAM..... 96"

FUEL CAPACITY ..... 60gal

HP RATING ..... 250-300

#### 1. FRONT DECK WORKING AREA

Adjustable recessed trolling motor pedal basin, electronics mounting tray, deck rod straps, and twin pedestal locations to customize your workspace.

#### 2. LED DOCKING LIGHT

High intensity docking light integrated into the bow for safe navigation in the dark.

#### 3. TAPERED ROD / TACKLE STORAGE

Hold 20+ rods and 11 3700 style boxes with extra 'reel' estate thanks to the tapered design of the off-center rod box.

#### 4. REAR DECK FEATURES

Maximized rear deck storage thanks to the triangular livewell configuration. Twin fold-flat/removable lids for easy bilge access.

#### 5. LED LIGHTED LIVEWELLS

High capacity triangular livewells create more room for the dual rear storage compartments. Twin removable, fold-flat rear access doors for easy access to the bilge area.

#### 6. LYNX SAFETY LIGHTING

Rear safety lights and an underwater LED wake light for increased visibility after sunset. Integrated emergency boarding ladder comes standard.

# PUMA FTD

## A PROVEN PLATFORM

The Puma FTD continues to be the most popular model of choice for many of our professional anglers. It shares the same running surface with the Cougar FTD but has a unique Full Team Deck layout that was specifically designed to accommodate both you and your partner. Equally comfortable in tight areas and large expanses of choppy water.

LENGTH .....20'4"

WEIGHT .....1825lbs

STORAGE LENGTH.....26' 1" / 23' 2"  
WITHOUT TONGUE SWING / WITH TONGUE SWING

BEAM.....94"

FUEL CAPACITY .....52gal

HP RATING .....200-300

### 1. PUMA FRONT DECK LAYOUT

Recessed foot pedal basin with port/starboard rod storage. Integrated net scabbard and a convenient deck step day box. Several tackle storages fill out the full team deck.

### 2. ROD STORAGE

Port and starboard front deck boxes can accommodate rods up to 8' in length. Port side box comes standard with a tubed rod organizer.

### 3. PASSENGER ROD STAY

Padded rod storage for your passenger along the port gunnel.

### 4. CONSOLE

Rigid console design with multiple display configuration options. Updated digital control panel and custom 6X performance steering wheel.

### 5. SEATS AND STEP BOX

New step box with multiple storages, integrated SS cup holders and grab bar. Wave Crusher seats come standard on all premium models.

### 6. SPECIAL PACKAGE FEATURES

The 2020 Puma FTD SP (Special Package) comes standard with twin 8ft Power Poles and a 250hp Mercury Pro XS four stroke outboard. Custom 6-Bolt R&R jackplate also standard. Visit [BassCat.com](http://BassCat.com) to see a full list of features (also page 37)

# COUGAR FTD

## BUILT TO RUN

Every square inch of this boat was carefully planned to enhance your ability to compete under any conditions. The Cougar FTD is a top performer and will continue to make its mark as a tournament predator. An SP (Special Package) edition gives you a turn-key rig that's ready to run.

LENGTH .....	20'4"	STORAGE LENGTH.....	26' 1" / 23' 2"	FUEL CAPACITY .....	*52gal
		<small>WITHOUT TONGUE SWING / WITH TONGUE SWING</small>			
WEIGHT .....	1805lbs	BEAM.....	94"	HP RATING .....	250-300

\*36gal std on Special Package. Upgrade options available.

### 1. FRONT DECK FEATURES

Clean, forward-focused foot pedal / electronics tray with integrated buoy holder.

### 2. DIGITAL SWITCH PANEL

Updated interactive digital switch panel to manage most onboard functions. Brighter LED indicators for direct sunlight viewing.

### 3. COUGAR FTD COCKPIT

Roomy cockpit featuring Premium Wave Crusher seats, all-fiberglass console, custom 6XB Italian steering wheel and two coolers.

### 4. FIBERGLASS STEP BOX

New fiberglass rear deck step option for 2019. Flip-up, easy access storage with additional cooler/storage underneath. Seats also flip open for even more dry storage.

### 5. LED LIGHTED LIVEWELLS

High capacity triangular livewells proven to keep your catch healthy and secure.

### 6. SPECIAL PACKAGE FEATURES

The 2020 Cougar FTD SP (Special Package) comes standard with twin 8ft Power Poles and a 250hp Mercury Pro XS four stroke outboard. Custom 6-Bolt R&R jackplate also standard. Visit [BassCat.com](http://BassCat.com) to see a full list of features (also page 33)

# EYRA

## QUICK TO RESPOND

Quick and responsive beyond belief, the control this hull provides will give you the confidence to run anywhere. Beneath the styling marvels of the Eyra lies a functional tournament machine with the soul of a sports car.

LENGTH ..... 20'2"  
WEIGHT ..... 1715lbs

STORAGE LENGTH ..... 25' 10" / 22' 11"  
WITHOUT TONGUE SWING / WITH TONGUE SWING  
BEAM ..... 94"

FUEL CAPACITY ..... 52gal  
HP RATING ..... 250-300

#### 1. FRONT DECK WORKING AREA

Adjustable recessed trolling motor pedal basin, electronics mounting tray and twin pedestal locations to customize your workspace.

#### 2. PORT ROD BOX

Twin-tier rod box offering a rod organizer and bulk storage shelf below.

#### 3. COFFIN-STYLE BOXES

Industry first coffin locker design promotes an efficient layout with easy access to gear.

#### 4. EYRA COCKPIT

You'll feel at home and in control. Low, secure Wave Crusher seating behind a rigid one-piece fiberglass console and new fiberglass rear deck step option.

#### 5. LED LIGHTED LIVEWELLS

Bass Cat's signature high capacity triangular livewells operated by our updated interactive digital switch panel.

#### 6. REAR DECK FEATURES

Additional rear port/starboard storages with an easy to access bilge area thanks to dual fold-flat/removable hinges.

# CARACAL

## WIDE. OPEN.

A wide-body contender with unique storage solutions from front to rear. Engineered to handle big water, the Caracal is extremely popular among competitive anglers wanting a safe, comfortable ride in all conditions.

LENGTH .....19'8"      STORAGE LENGTH.....25'9"/23'      FUEL CAPACITY .....\*43gal  
WITHOUT TONGUE SWING / WITH TONGUE SWING  
 WEIGHT .....1725lbs      BEAM.....96"      HP RATING .....200-225

\*Note: Three (3) different fuel tank configurations for up to a 59 gallon capacity. More info at [BassCat.com](http://BassCat.com)

#### 1. FRONT DECK WORKING AREA

Adjustable recessed trolling motor pedal basin, electronics mounting tray and twin pedestal locations to customize your workspace.

#### 2. FRONT DECK STORAGE

Central & port rod boxes, day box and three additional storage boxes for everything you need. Internal fan system standard.

#### 3. NET, TOOL, RULER HOLDER

Integrated storage system along the port side of the front deck to keep your essentials out of the way yet easy to access.

#### 4. PASSENGER ROD STORAGE

Easy access rod storage for your passenger. Store additional rods along the top ramp.

#### 5. CARACAL COCKPIT

Large cockpit with updated rear deck step and digital switch panel on the all-fiberglass console. Premium Wave Crusher seats standard.

#### 6. REAR DECK STORAGE

Deep storages with removable port insert. Multiple locations to maximize storage and ensure everything has its place.

# PANTERA II

## SET THE PACE

Sure to turn heads at takeoff, the PII has earned the reputation as an outstanding competition platform while keeping pace with larger horsepower rigs. This hull is responsible for many evolutions in modern day bass boats and continues to set the tone in the 19' category.

LENGTH .....19'1"  
WEIGHT .....1425lbs

STORAGE LENGTH.....24'4"/22'  
WITHOUT TONGUE SWING / WITH TONGUE SWING  
BEAM.....93"

FUEL CAPACITY .....33gal  
HP RATING .....135-200

#### 1. FRONT DECK WORKING AREA

Reinforced centerline trolling motor mount with recessed pedal/electronics tray. Pedal placement allows for more casting freedom and precision.

#### 2. ROD STORAGE

Rod organizer in the port storage box with additional room for gear and rods below.

#### 3. TWIN TACKLE STORAGE BOXES

Large twin front deck storage boxes with even larger compartments on either side.

#### 4. PANTERA II COCKPIT

One-piece, all fiberglass console, custom 6XB Italian driving wheel and large cooler within reach under the front deck step.

#### 5. SEATING CONFIGURATION

Your choice of three-wide seating that folds down to access the rear deck, or convenient storage console/deck step with cup holders.

#### 6. LIVEWELL SYSTEM

Twin, divided livewells that can hold your largest limit with ease.

# SABRE FTD

## SMALL FOOTPRINT. BIG PERFORMANCE

This is the model of choice for the angler seeking a lighter, more maneuverable, tournament ready rig. Thanks to an extremely efficient hull design, the Sabre FTD excels at getting the most out of any outboard in terms of fuel economy and performance. It's ability to draft skinny water makes this 18'1" model the perfect fishing platform for the versatile angler.

LENGTH .....18'1"

STORAGE LENGTH.....24'/21'  
WITHOUT TONGUE SWING / WITH TONGUE SWING

FUEL CAPACITY .....33gal

WEIGHT .....1215lbs

BEAM.....93"

HP RATING .....115-175

### 1. FRONT DECK PRECISION

Forward-focused pedal placement for pinpoint, multi-directional casting. Experience true-tracking control with the offset bow.

### 2. REEL POCKET

Keep reels secure and safe from the trolling motor thanks to a recessed reel pocket.

### 3. FRONT DECK STORAGE

Twin front deck storage boxes keeping your most important tackle ready at all times.

### 4. DECK STEP / COOLER

Integrated cooler under the front deck step with a built-in sandwich tray to keep you food cold but away from melting ice if desired.

### 5. SABRE FTD COCKPIT

Comfortable seating for you and your partners. Plenty of room for anglers with long legs to stretch out. One-piece console and secure grip on the custom 6XB steering wheel.

### 6. REAR DECK STORAGE

Additional storage on either side of the large divided livewells. Spacious rear deck for your partners to enjoy while fishing.

# PANTERA CLASSIC

## A CLASSIC COMPETITOR

The Pantera Classic will open doors to the segment of anglers demanding total performance in a value-conscious package. As many anglers are gravitating to rigs with a smaller footprint for ease of towing and storage, the new Classic is designed to meet that demand.

LENGTH .....19'6"

STORAGE LENGTH.....25' 2"/22' 7"  
WITHOUT TONGUE SWING / WITH TONGUE SWING

FUEL CAPACITY ..... 30gal

WEIGHT .....1550lbs

BEAM.....90"

HP RATING ..... 150-200

### 1. FRONT DECK WORKING AREA

Ergonomic configuration of the recessed pedal/electronics basin.

### 2. FRONT DECK WIDTH

The width of the Pantera Classic carries forward to give many anglers the stance and stability they desire (over 62" inside width near the pedestal base).

### 3. ROD / GEAR STORAGE

Central rod box keeps your arsenal ready with three additional storage boxes on either side. Offset lids avoids crushing deck rods when lids are opened.

### 4. COCKPIT FEATURES

Custom-colored seats, one-piece fiberglass console with padded rod tip ramp, passenger rod stay, flip-up seat storage and two coolers complete the Classic cockpit.

### 5. AERATED LIVEWELLS

Large twin divided livewells with huge storage compartments on either side.

### 6. BILGE ACCESS

Access to the clean, organized bilge area is extremely easy thanks to the fold-flat rear lid that can also be removed.

# MARGAY

## HANDLE ANY TASK

A flexible engine rating allows you keep this rig within your means while getting the most out of this unique, well thought out hull. The Margay will handle any task with ease and give you the safety, ride and function at a price others work hard to beat.

LENGTH ..... 17'7"

WEIGHT ..... 1250lbs

STORAGE LENGTH ..... 23'3"/20'8"  
WITHOUT TONGUE SWING / WITH TONGUE SWING

BEAM ..... 90"

FUEL CAPACITY ..... 26gal

HP RATING ..... 70-150

### 1. FRONT DECK WORKING AREA

Spacious working area for you and the partners that join you up front. Stay on point with our recessed pedal/electronics tray location.

### 2. MARGAY ROD/GEAR LOCKER

Huge dual purpose center box that easily holds 10+ rods. This deep compartment can host additional gear below for all of your necessities.

### 3. FRONT DECK STORAGE

Additional port/starboard storage boxes on either side of the main compartment. Built-in dividers to keep your gear in place while on the move.

### 4. SPACIOUS COCKPIT

Even the tallest angler will enjoy sufficient room to stretch out in the Margay cockpit.

### 5. LIVEWELLS

Divided aerated livewells have plenty of room for your winning bag or limit of crappies.

### 6. REAR DECK STORAGE

Easy to access bilge with additional storage on either side of the access. The main rear deck lid can fold flat or be completely removed.

# PHELIX

## KEEP IT SIMPLE

Get back to basics and enjoy the simple pleasures on the water with the Phelix. A lightweight skiff to take you back to your roots, fishing waters others overlook. Maneuverable, economical, and ready to provide some evening therapy after a long day at the office.

Length - 17'  
Beam - 64"  
Storage - 19'

Fuel - 6 gal  
Max HP - 25  
Weight - 525lbs

Bass Cat makes every effort to ensure accuracy in the options and accessories of these models. We reserve the right to alter options and features based on vendor changes and model evolutions throughout the model year.

# ***BCB CUSTOM TRAILERS***

## **Built For The Miles Ahead**

We take our trailers very seriously. Unlike many manufacturers, we build Bass Cat trailers one at a time. Custom fit to the specific hull design of each model. Every cross member and support is jigged, fitted, and welded using U.S. Steel to exact tolerances.

Your safety and the investment you have made in your boat are not taken for granted. We demand the highest quality materials and hand craftsmanship for safety and security on the road.

### **KEY FEATURES**

#### **TRAILER STEP SYSTEM WITH GRAB POST**

S-Bend grab post and custom offset fiberglass tongue step for easy access to/from the front deck.

#### **HEAVY DUTY WINCH POST**

Rock solid canted winch post design. Extra thick dual roller frame for years of trouble-free loading.

#### **DOUBLE WALL LASER CUT SWING TONGUE**

Absolutely the strongest swing tongue made. Secured by a twin pin design for maximum strength and long-term durability.

#### **PPG PROTECTION**

All trailers receive a PPG urethane clear coat. This provides a heavy rubberized, protective clear coating which helps repel harmful impacts from rocks and other road debris.

#### **TORQUEFLEX TORSION AXLES**

Axles are jigged and welded in a pattern weld to assure minimal tire wear from caster to camber. Our Torqueflex torsion axles provide a true "Soft Ride Suspension".

## BASS CAT TRANSFERABLE LIFETIME WARRANTY

Bass Cat Boats warrants each new fiberglass boat to its original noncommercial purchaser for a two-year period. Warranted to be free from defects in the workmanship and materials, under normal use and conditions. Certain items are under coverage by the manufacturer(s), separate of Bass Cat manufactured goods. Bass Cat makes no claim to represent, circumvent or exercise the independent manufacturer(s) warranties.

This warranty does not apply to (1) Any boat which shall have been repaired or altered in any way so as to affect its use and operation; (2) gelcoat cracking, crazing, blistering, fading, discoloring or any similar situation; (3) windshield breakage; (4) any boat which has been subject to misuse, alteration, neglect, accident, used for racing purposes or operated in a negligent manner at the opinion of Bass Cat boats; (5) upholstery damage; (6) any boat utilizing over an 8" jackplate (2009) or altering of standard equipment offered specifically by Bass Cat; (7) any boat which is been overpowered, according to the maximum recommended engine horsepower specified for that particular model, on the capacity plate. (8) any part or component expired within a reasonable time of its expected operational period.

To validate the warranty, the boat registration card must be returned to Bass Cat Boats within fifteen (15) days of the original purchase. Under Federal law all boat manufacturers are required to notify first purchasers, in the event that any defect is discovered "which creates a substantial risk of personal injury to the public;" or any noncompliance with Federal regulations by the manufacturer. Failure by any first purchaser to fill out and return the warranty registration card, or complete transfer, may make it impossible for Bass Cat Boats to give direct notice to such purchaser and does not execute warranty.

This warranty is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and in lieu of all other obligations or liabilities on the part of Bass Cat Boats. Bass Cat Boats expressly denies, on the part of any person to incur or assume for it, any other liability in connection with the sale or use of its boats and trailers. Implied warranties, if any, given by valid law, shall be limited to the duration of this written warranty.

The obligation of Bass Cat Boats, under this warranty, shall be limited to the repair or replacement of any part which is judged defective by Bass Cat. During the term of this warranty repairs will be made free of charge, at any authorize Bass Cat service center under guidelines excepted by Bass Cat, or by Bass Cat itself at its discretion and approval. Transportation costs to the factory are the responsibility of the purchaser. All warranty repairs must be approved by Bass Cat personnel, whose decisions are final. Removal of components which are termed rigging parts will not be the responsibility of Bass Cat Boats. Bass Cat Boats Will not be liable for haul-out, launching, towing or storage charges, inconvenience or loss of time or income, or any other special or consequential damages of any kind or nature.

Bass Cat Boats accepts no liability for those components which are or may be marketed to the retail consumer and selected as standard or optional equipment on a Bass Cat Boat. Examples of those components may be and are not limited to, outboard engines, propellers, fish finding equipment, instruments, trolling motors, battery chargers, engine controls and ignition switches, batteries, radio/stereos, bow guards, and covers.

An extended Lifetime Warranty also applies. These are transferable warranties through an authorized Bass Cat dealer or through Bass Cat Boats. There is a charge for transferring the warranty and it may be transferred only under the guidelines issued at that time period. Transfer is only complete upon receipt by Bass Cat, qualification, fees and transfer.

Extended lifetime warranty to the original consumer is transferable on used boats which are sold through an authorized Bass Cat dealership and/or pass an applicable qualifications check list for that particular model. There is a charge for verification and transfer. Lifetime warranty covers manufacturers defects in the structure in its original state. Any modifications, additions or changes to the boat from its original manufactured condition maybe judged invalid for transfer. Under those conditions only the fees for transfer will be redeemed. Qualification fees will be deemed as a service performed.

Assessments of the Lifetime Warranty will be executed base prorating dependent on the age and condition of the boat, using NADA, ABOS, or similar accepted value booklets available at that time.

Bass Cat warrants all Bass Cat trailers for a period of two (2) years, for noncommercial use under guidelines stated in this limited warranty. No exceptions or other offers apply. Tires and certain other items may be subject to their own independent warranty restrictions and available only through those company(s) dealers, agents or representatives. Transfer is applicable under transfer guidelines in this written warranty.

The information in this literature is based upon the latest product information available at the time of publication approval. Bass Cat Boats reserves the right to make changes anytime, without notice, in colors, equipment, specifications, materials, hulls, prices, and discontinuation of models. When changes are made, we reserve the right to do so without incurring the obligations to equip, or modify, existing models built prior to the date of such changes.
