You asked for it. We delivered.

Manufactured from closed-cell Polyethylene (PE) foam, reFLEX offers a high-grip, non-slip surface to compliment the upgraded carpet base throughout the Premium Bass Cat lineup. A durable UV-resistant and easy-to-clean marine foam padding, reFLEX is made to withstand the rigors of water and any weather condition.

- Stain resistant
- UV protected
- Superior peel strength
- High traction, wet or dry

Bass Cat: The Reflex cockpit insert and full deck option is available on all Premium models  
Yar-Craft: Standard on the 210 TFX. Not an available option on any other Yar-Craft model

# SeaDek

## MARINE PRODUCTS

Designed to withstand the harsh conditions of the marine environment, SeaDek is made from UV-resistant closed-cell PE/EVA foam that will not absorb water, and provides exceptional traction when wet or dry. SeaDek's shock absorbing qualities deliver maximum comfort on the water, and fishermen appreciate its sound-dampening properties.

(Standard)  
**210 TFX**

## CARPET SELECTION

We always push our vendors in pursuit of the best and it shows as we continue to set the standard in carpet quality. Bass Cat & Yar-Craft Premium & Advantage models will be upgrading to 28oz material in three different colors giving you a perfect color-match and the durability to last long into your ownership. With the added strength comes increased comfort thanks to the tight weave and high fiber count. Our 16 and 28 ounce carpet has been UV stabilized to withstand years of exposure, keeping your dream looking fresh with proper care.

## BOAT COVERS

### TOP NOTCH®

**TOP NOTCH SOFT** Premium tier cover made specifically for Bass Cat & Yar-Craft Boats. TOP NOTCH® is a 100% solution dyed polyester fabric (840 denier) with a fluorocarbon finish, resulting in a fabric that is breathable and water repellent.

Only available in black. Top of the line. Strapless easy on/off, dual-ratchet system. Available on Premium & Advantage models. Felt back to protect the boat finish.

Customers can go through parts to acquire covers for previous model years.

**Soft backed • 11.5oz • Permeable (vents slightly) • Spray rated • 8 year warranty**

**AQUALON EDGE SOFT** High quality, light weight cover made specifically for Bass Cat Boats. With a vinyl-coated polyester top and soft underside, it keeps interior temperatures up to 25 degrees cooler than other materials and surfaces protected. Available in black, navy, mist gray and charcoal. (Black ONLY on Yar-Craft).

**Soft backed • 11oz • Non-permeable (holds moisture in) • Spray rated • 7 year warranty**

Radiance Package - Radiance Gel in Shadow Stripe	Additional charge

\* Packaged units: Retail units packaged with an outboard.

NEW Radiance Packages For Yar-Craft

New radiance packages available on all Yar-Craft models. This includes color-coordinated accents in the shadow stripe, gauge bezels and SeaDek flooring. In order to request a Yar-Craft radiance package, you must allow for all three elements to match, no exceptions. Standard SeaDek will be used exclusively for boats not adding radiance accents.

BASS CAT PREMIUM COLOR GUIDE

JAGUAR | PUMA STS | COUGAR FTD | EYRA | CARACAL STS

BOOT / MINI BOLT

**Available Colors:** Poly flake & gel

**Rules:** Mini bolt can match the hull or boot, as selected. Polyflake boot defaults the Minibolt to BLACK GEL

**Options:** Radiance package colors for mini bolt

HULL

**Available Colors:** Poly flake & gel

**Rules:** No vicious lime, rage red, black or pro blue

CAP / FENDER / CONSOLE

**Available Colors:** Poly flake & gel

**Rules:**  
1. Fender, cap and console match by default  
2. No vicious lime rage red, black or pro blue

**Options:** Reverse console and/or reverse fender

NOSE CAP / CAP INSERT 2

**Available Colors:** Poly flake & gel

**Rules:** Nose cap must match the I2 (insert 2) or cap, by default

**Options:** Radiance package colors in insert 2

TRIM STRIPES (HULL & CAP)

**Available Colors:** Poly flake & gel

**Rules:** Same color on hull and cap

**Note:** Pin stripe is always black

HULL INSERT (BOLT) / CAP INSERT 1

**Available Colors:** Poly flake & gel. Radiance color can be used, if hull insert (bolt) and cap insert 1 are the same color.

**Rules:** Bolt and cap insert 1 match, by default

**Options:**  
1. Hull and cap insert 1 may match  
2. Cap and hull insert may match

**Note:** Eyra scoop must match insert 1.

Eyra Scoop

BASS CAT PREMIUM PACKAGE OPTIONS

JAGUAR | PUMA STS | COUGAR FTD | EYRA | CARACAL STS

NOTE:

Fluorescent radiance colors of rage orange, vicious lime, pro blue and black are not available on the hull, cap or fender. UV stability is reduced on these colors and they will have limited long-term durability.

**Additional charges apply on all package options**

REVERSE FENDER

The reverse fender option allows the customer to make the fender any color that is used in another part of the boat. For example, this fender will match the hull insert.

REVERSE CONSOLE

The reverse console option allows the customer to make the console any color that is used in another part of the boat. For example, this console will match the hull insert.

RADIANCE PACKAGE

**Available Colors:** Radiance gel (see below)  
The Radiance Package will pair these sections with any of our radiance gel colors:  
- Mini Bolt  
- Insert 2 (I2)  
- Console (optional)

RAGE ORANGE

VICIOUS LIME

WHITE

VICTORY RED

CANARY YELLOW

PRO BLUE

BLACK
