

# Flight Schedule

## Morning CHECK IN: (Please allow 40 minutes for Livewell Check each morning)

- We will be using the Marina docks – Enter down the LEFT bank with ramp. Rotate in the left cove to the right and idle past the livewell check. (Please refer to the staging sheet for detailed map and instructions)  
**\*ONLY USCG approved Running Lights (No Power Pole or aftermarket bow lighting allowed)\***
- Be prepared to depart - Line up flights with neighboring boats 5 minutes prior to YOUR take off time. Take-off by boat numbers and return by flights using Pontoon located at the mouth of the cove.
- Please Idle until well past pontoon and safely clear of traffic. (Incoming traffic will be crossing the lake from Panther Bay area through take-off)
- **ALL FISH MUST BE PRESENTED FOR WEIGH-IN WITHIN 30 MINUTES** of last angler weighed.  
(NOTE: ONLY Bass Cat clear plastic official weigh in bags will be accepted)
